IRC Channels

With IRC you can download many many games/moviez etc. etc. If you want to get something first IRC is the ONLY way to go.Or if you're looking for something really rare, if it exists you WILL find it on IRC.

Example:

server: freshmeat.us.zerolimit.net

channel: #iso-xdcc

Usually you can get a file by typing:

/msg ISO-XDCCb?? xdcc send #?

And on the ?? spot the number of the file!
